

Pathway to Success

Pathway to Success is a training system developed to address the needs of every new and not-so-new manager, supervisor and human resource person about workplace health and safety – preventing accidents, managing losses, workers' compensation, and minimizing liability.

-  Have you recently been promoted to a Supervisor, and discovered that you now have **Safety and Health** responsibilities?
-  Are you a Supervisor and are not yet aware that you have **Safety and Health** responsibilities?
-  Are you the Human Resources person in your company with responsibility for workers' compensation; employee recruitment, retention, and training; and/or for compliance with labor laws?
-  Are you tired of sending your people to training that doesn't take?
-  Do you want to attract and retain competent, qualified workers?
-  Do you want to reduce workers' compensation costs, productivity losses, and insurance costs?

Session 2 classes are 2-hours each module (9 modules total) on Tuesdays and Wednesdays beginning **April 30, 2008**

Dates: April 30, May 14, 28
August 5, 19, 26
